Selected Question: What is your favorite book and why? Which character did you enjoy the most? Why?

Comment [U7]: Selected question for which essay is written

My favorite book is *Winnie the Pooh and the Blustery Day*. My Mommy reads it to my brother and me when we have a thunderstorm. It helps us not be so scared. Mommy is scared of thunderstorms, too. So are Claire, Shelby, and Spencer. They are our dogs. When there is a thunderstorm we all sit on Mom's bed while she reads *Winnie the Pooh and the Blustery Day*.

I am most like Rabbit. Rabbit likes everything to be perfect. Mom says he is a persnickety fussbudget. I think he just likes things to be nice so his friends can enjoy them. He likes to garden and keeps his house very clean. I like to garden, too. I also keep my room very clean. But I keep my room clean because my mom makes me, not because my friends like it.

It is a very good book. I hope you read it.
